### HUMANE SOCIETY OF THE TREASURE COAST

Papa

Moxie

Papa is a nearly 2-year-old American Pit Bull Terrier mix. This handsome pup is very frustrated being cooped up in a kennel — even with multiple walks and running time every day. He is an extremely boisterous and active dog looking for an active home. Papa would prefer to be the only fur-kid in his new home and would do best in a home with older children. Papa appears to be housetrained and knows several basic commands. Papa is a HSTC Dolly's Dream Dog! This means his adoption fee has been sponsored and he comes with a bunch of extra goodies to help him adjust to his new home. Some of these bonus goodies include an ID tag, crate and free 6-week training class. To learn more about Dolly's Dream, please visit <https://www.hstc1.org/dollys-dream>.

Moxie is a young senior kitty (only 10 years old) looking for a hospice home to spend his remaining time. Moxie has advanced heart disease and is on special food and medication to make him as comfortable as possible and hopefully slow down the progression of this disease. As of December 2021, our shelter vet has estimated his life expectancy to be around 6 to 12 months. Moxie came in to HSTC care in late November 2021 when his human had a stroke and could no longer properly care for him. For more information on Moxie and his needs, please give us a call at 772-223-8822 or stop by the HSTC main shelter. These pets and many more are available for adoption through the Humane Society of the Treasure Coast. Locations to adopt are the HSTC Main Shelter at 4100 SW Leighton Farm Ave. in Palm City, the HSTC Thrift
